

NEPAL PREMIUM

Protective gloves

Made of the highest quality cow grain leather and resistant woven fabric.

They are provided with rubberized cuff.

Metacarpus and finger tips are strengthened with double seams which increase life period of the gloves.

Lining fabric in the palm guarantees comfort of usage.

The gloves meet general requirements for personal protective equipment provided in Regulation (EU) 2016/425 and in the Harmonized Standards: EN 21420 and EN 388.

Technical Information:
