

OCEAN BLUE® 100

Protective gloves

The gloves are made of seamless polyester blue-coloured knitwear (13g).

The palm area and the finger tips are coated with rough latex.

The non-coated back side increases breathability, improving the comfort of usage.

The gloves are designed for works carried out in dry and humid environment which requires good grip and precision.

They are used in the construction industry to collect waste and carry objects.

They are provided with elastic welt finished with coloured thread used for size identification.

The gloves meet general requirements for personal protective equipment provided in Regulation (EU) 2016/425 and in the Harmonized Standards: EN ISO 21420 and EN 388.

Technical Information:

Material:	seamless polyester knitwear coated with rough latex
Performance level:	2121X
Sizes:	7, 8, 9, 10, 11
Order numbers:	R-I-OCEAN100-XX*

*insert size for XX
