

## IMPAKT

### Safety Helmet

Provided with ventilation holes that add comfort while wearing the helmet and the four-point harness with polyamide carrying belts.

The harness has an additional brow pad and ratched adjustment that allows to adjust the helmet to the user's head size.

The side key slots allow to fit earmuffs.

Available colours: white, blue, yellow, orange, red.

Industrial safety helmet meets the requirements of of UE harmoniation legislation: with Regulation (EU) 2016/425 and the harmonized standard EN 397.
