

RAIN FOREST

Protective gloves

Made of the highest quality cow grain leather that does not become stiff in contact with water and of a woven fabric.

They are provided with rubberized cuff.

Metacarpus and finger tips are strengthened with double seams which increase life period of the gloves.

Lining fabric in the palm guarantees comfort of usage.

The gloves meet general requirements for personal protective equipment provided in Regulation (EU) 2016/425 and in the Harmonized Standards: EN ISO 21420 and EN 388.

Technical Information:

Material:	cow grain leather with special finish, fabric, rubberized cuff
Performance level:	2232X
Sizes:	10
Order numbers:	R-I-RAINFORREST
