

KOZA GREY

Protective gloves

Gloves are made of high quality goat grain leather.

The back side is made of knitted wear which significantly improves the comfort of use.

The wrist welt makes gloves fit the hand better.

They are recommended to be used for works which require high level of dexterity and precision.

The gloves meet general requirements for personal protective equipment provided in Regulation (EU) 2016/425 and in the Harmonized Standards: EN ISO 21420 and EN 388.
